## ***A Free Benefit to You!***

When you become a Chamber member, you have the free benefit of highlighting your business via the Chamber’s weekly radio program, “Chamber News and Views.” You select the information that will be discussed in this two minute interview, whether it be promoting an upcoming event at your business or simply reminding the community of the products or services you offer. There's no need to drive anywhere, we interview you in the comfort of your business location. And forget about stage fright; this is a pre-taped interview, edited to make you sound your very best! Chamber News and Views airs on Public Radio KMXT on Wednesday evenings and on KVOK/101.1FM on Thursday mornings. This is an excellent opportunity to reach a large listening audience.

Please provide your business name and the appropriate contact person for the interview and we will call you to schedule your Chamber News and Views interview.
